ABOUT US

Over a decade of history, HORIZON has evolved from a traditional International freight forwarder to a leading global provider of innovative and fully integrated supply chain solutions especially on Aviation, Aerospace and Defense Logistics. HORIZON has grown into one of the world's leading logistics providers. Our key business activities and market position are built on the company's truly world class capabilities.

HORIZON is one of the Major Global Player in terms of Aviation, Aerospace and Defence forwarder in this industry and we are financially strong, stable and independent. Our global logistics network, cutting-edge IT systems, in-house expertise and excellent customer service is proof of our dedication to be the market leader. These attributes have placed us at the forefront of our industry, and positioned us to continue increasing the scope of our customer solutions and services.

STRATEGIC SUSTAINABILITY AND CLIENT SATISFACTION

Our strong foundation, our ambition is to be among the most sustainable companies in the Global market, with close links between business strategy, brand value and sustainable activities which is also door opening opportunity for difference business verticals. We have executed trial shipments to our new client and they are very well satisfied with our services, supply commitment and competitive pricing with quality products - even during lockdown imposed due to Covid-19 pandemic.

CLIENT ENQUIRY AND RATE SUBMISSION

✓ HORIZON received an inquiry from client on November 6, 2023, and subsequently expedited the issuance of a quotation to Client on that precise day.

✓ On November 16, 2023, HORIZON received explicit approval from Client to proceed with the shipment.

CRANE ARRANGEMENT

- ✓ Upon receiving confirmation from the Client, HORIZON communicated on November 16, 2023, instructing the arrangement of a 50-ton crane for loading facility and subsequent offloading at DMM Airport.

CRANE OBSTACLE

The shipment was directed to DMM airport on 23/11/2023 by the shipper. Nevertheless, SAL encountered hindrances in unloading the shipment due to a scarcity of crane equipment.

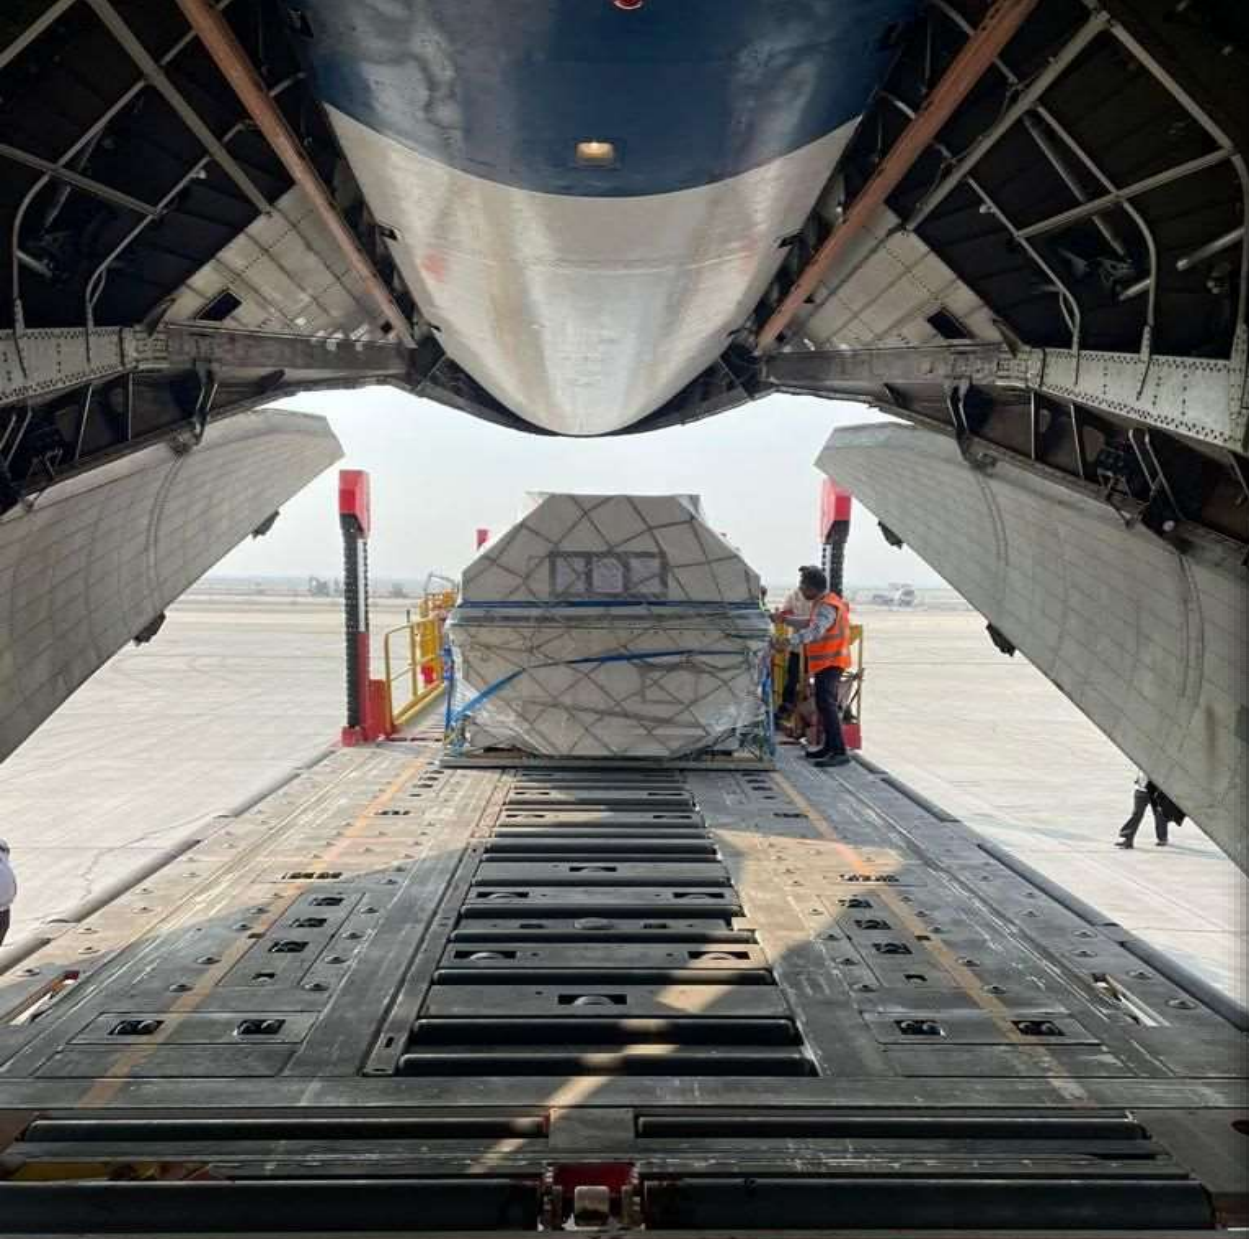

OFFLOADING AT DMM AIRPORT

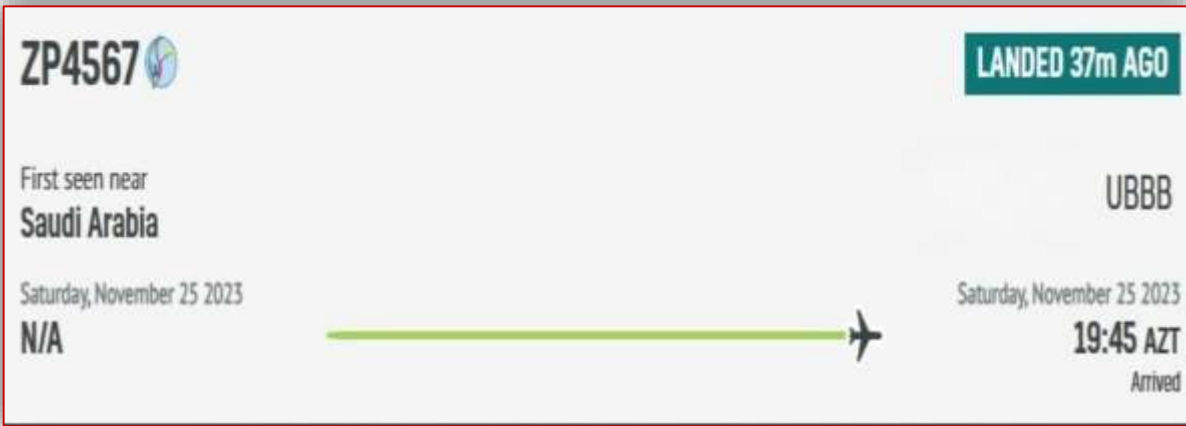

- ✓ However, swift resolution ensued as the shipper, on November 24, 2023, arranged for a crane, resulting in the successful offloading of the shipment at DMM Airport.

✔ **HORIZON successfully received the shipment at DMM Airport on 25/11/2023 & efficiently executed its delivery to Airlines within the same operational day.**

On November 25, 2023, The shipment departed from DMM Airport and arrived at Second Sector Airport on the same day.
